

FHWA Office of Highway Policy Information Fact Sheet

The 25 Most Traveled Route Locations by Annual Average Daily Traffic (AADT)

Number of Most Traveled Route Locations by State

The busiest roads in the United States carry up to 500,000 vehicles every day. California, the largest state by population, also has the most locations in the top 25. Twelve locations in the state each carry over 300,000 vehicles on a typical day.
